# Pictorial Words

## CONTEXT

Copy the two pictorial words shown below, brush and shuttle. Start by drawing a light, accurate outline, then fit the letters in. Once you have the letters in place rub out the outline. Do a few practices and then do a full size drawing to fill an A4 sheet. When you have finished these have a go at the following words. SHARK, BRIDGE, PHONE. GUITAR.

Use coloured pencil/felts to add a gloss surface - don't forget the highlights !!!

## TASK

A new adventure theme park called '**land of the dinosaurs**' is opening. This includes dinosaur themed rides, rollercoasters etc. They have asked you to come up with a range of logo proposals.
