

**Design out the box**

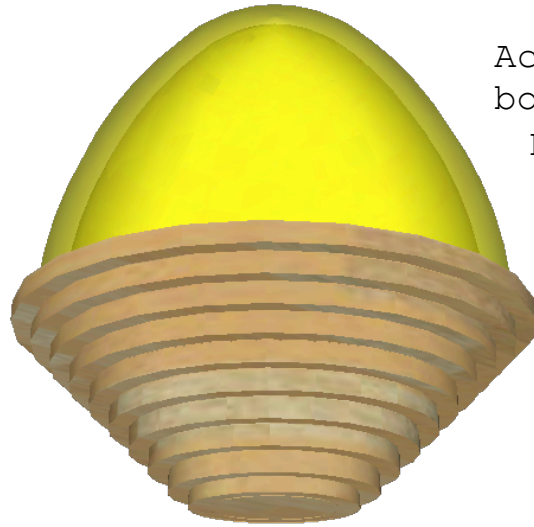

# Wild Things

## Context

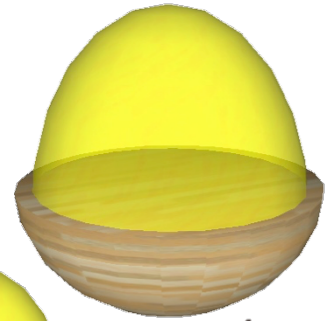

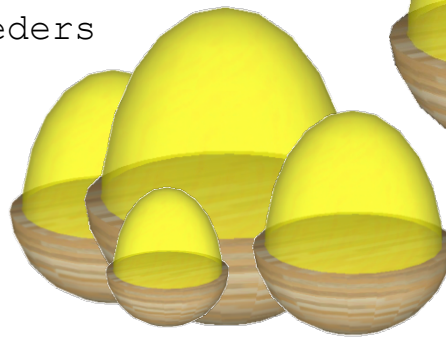

Leisure activities are increasing in popularity. Many garden centres and department stores now have areas specifically targeting this consumer area.

## Task:

A garden centre wishes to sell products to encourage wildlife into domestic gardens. Design and make a small product that could be sold in the garden center. **Based around the theme of movies**

Acorn Bird  
boxes/Bird  
Feeders

Flat-packed bird  
house

Lilly pad  
inspired bird  
table and box

# Wild Things

Design and make a small product that could be sold in the garden center. ***Based around the theme of movies***
