Retro

Context

Our lifestyles are changing rapidly. Our homes contain an ever-increasing range of gadgets and equipment. It is fashionable to have multi-functional living spaces. We need creative, innovative products to help us organize our lives.

Research

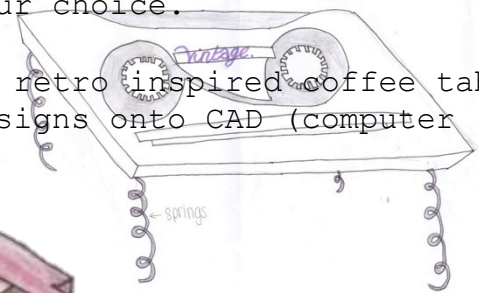

Research what retro means and gather retro images, products, TV shows and computer games from the 1970's, 80's and 90's that interest you.

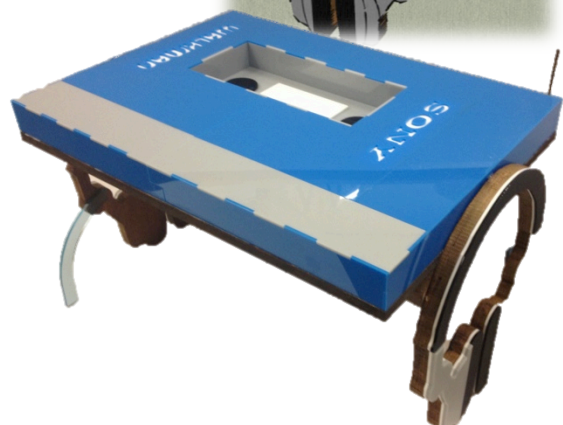

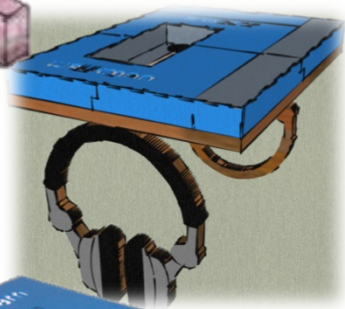

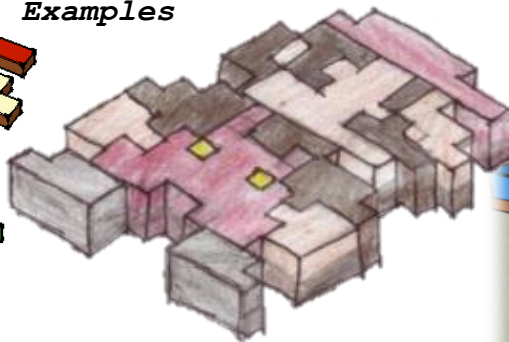

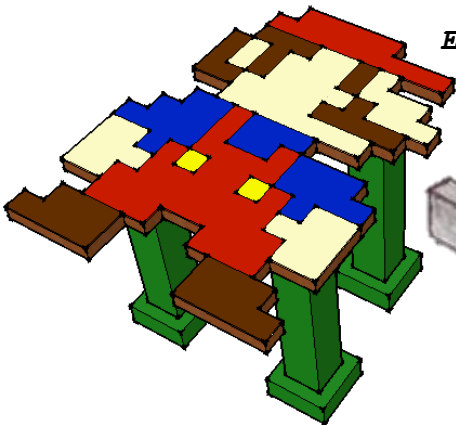

Task

A major high street retailer wishes to market a retro, small coffee table aimed at the first time buyer. The product could include storage or some another function of your choice.

Using your research, design a range of retro inspired coffee table ideas. If time allows transfer your designs onto CAD (computer aided design)
